**\*Please note;**

Team work....driver and escorts are a team!

As a certified escort and professional, I **require** all drivers to understand that I will call out hazards/construction on sides of roads and on roads if out front, and if chase I ask that the do the same for me. Non cooperation of this rule will not be tolerated and I will pull off the route and call **Drivers** Dispatcher and DOT! **Rude Drivers will not be escorted**

**All Drivers must understand and Speak English!**

**All Drivers must adhere to Dot and Rules of Oversized loads**

**A copy of all permits to be given to all escorts prior to leaving!**

**Driver must understand we work as a team at all times \***

We run only legal OD loads; we do not do any bootlegging loads or run after curfew.

We are pleased to announce that we have added state of the art G.P. S, Also video web-cam technology to our service.

Trucking companies must sign our pre load movement agreement, and agree to our payment time set up and rate format!
