## “ALL of it” Involves Trucking...

From a one truck operation to the largest fleet in America, AITA's programs can reduce your operating costs

AITA's collective volume provides you with Volume Discounts from participating providers

Up to 50% discounts on replacement parts and/or supplies

AITA has developed discount and/or rebate programs with some of the leading suppliers in the industry. Providing you with Premium Parts and Services at Reduced Prices!!!

We cover monthly fees or minimums with some suppliers, allowing you access without those same fees.

AITA works to reduce your costs on the items you use.

If it's heavy duty, if it involves a truck or anything powered by a diesel engine, then AITA's programs can be of service to them!
